

Wenzile Nosipho Mbele

South African Citizen | Software Development Graduate

Newcastle, KZN Cell: 072 052 6077

Email: wenzilembele@gmail.com

PROFESSIONAL PROFILE

Dedicated and detail-oriented Information Technology graduate with a Diploma in Information Technology in Software Development and currently pursuing an Advanced Diploma in Application Development. Possesses strong foundational knowledge in ICT support, troubleshooting, desktop support, software and hardware configuration, and system maintenance, supported by practical Work Integrated Learning (WIL) experience.

Demonstrates excellent communication, problem-solving, and interpersonal skills, with the ability to provide efficient technical support in fast-paced environments. Passionate about supporting operational efficiency through technology and eager to contribute to the Road Accident Fund by delivering reliable ICT support services while gaining valuable workplace experience through the internship programme.
